

## All-Rubber Custom Logo Mats

Custom rubber logo mats are a great first line of defense to help remove dirt, snow, gravel and debris from being tracked inside while showcasing your brand.

These all-rubber logo mats can be personalized with virtually any design, effect and color scheme and still withstand the elements when used in an outdoor location – sun, rain and salts are no match for this custom rubber mat.

The multi-directional nub surface scrapes shoes clean. The high/low pattern allows dirt and water to fall below while the top surface remains clean, which helps prevent debris and salts from being tracked inside.

These custom rubber logo mats are made of nitrile rubber and will not fade, rot or curl up in any environment.

To clean, simply shake out or hose down.

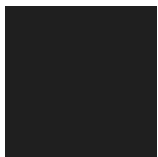

PLEASE NOTE: a logo mat design proof will be emailed to you for your approval before production.
