

Aqua Trap Door Mats

Aqua Trap Door Mats are durable and fashionable, while providing superior water retention, debris removal and soil resistance. The molded bubble surface efficiently removes debris from shoes, while the 26 oz. tufted yarn quickly absorbs and holds moisture. A heavy-duty cleated rubber backing keeps these floor mats right where you want them, and an integral moisture and debris barrier keeps dirt and moisture contained within the mat.

Available in continuous lengths, from 2' x 3', up to 4' x 60'. Seven attractive colors to choose from: Burgundy, Brown, Slate Blue, Gray, Hunter Green, Charcoal and Red / Black.

An anti-microbial agent has also been added to these extremely durable rubber-backed mats, helping to stop microbes at the door in addition to dirt, debris and water.

These entry door mats are an ideal floor matting solution for all heavy traffic areas including lobbies, vestibules, doorways, doctor's offices, business parks, legal offices, retail centers, auto dealerships and office buildings.

- Molded bubble pattern for scraping / drying
- Water dam border with carpet to the edge, fashionable appearance
- Anti-Microbial treatment
- 3/8" overall thickness

Item No: FM.EAQTR
