

5/16" Thick Bamboo Chair Mats

5/16" Bamboo Chair Mats beautify and protect your work space. They allow office chairs to roll with ease, and sustainable sourcing protects the environment as well.

The bamboo top layer is kiln dried and sealed, which prevents cracking due to moisture loss. The hardwood top layer is attached to a natural latex backing which allows the mats to roll up, and keeps the mats securely in place.

These mats feature a durable UV stabilized finish which prevents fading, and rounded edges prevent injuries.

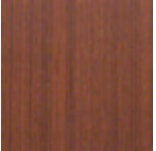

*Mats are available with or without a "lip", as illustrated.

Item No: FM.BCM516

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
