8/16" Thick Bamboo Chair Mats

Our attractive and durable Bamboo Chair Mats are constructed from sustainably harvested bamboo. The bamboo surface is kiln dried to a precise moisture level to prevent cracking and warping, and the 1/2" thickness will stand up to years of daily office use.

The natural latex backing helps to keep the mats in place on both hard floors and carpeting, and the UV-cured coating protects the beautiful surface from fading in the sun. Mats are suited to soft polyurethane or soft rubber wheels.

Note: the "lip" refers to the part of the mat that extends to provide coverage under the desk. The dimensions of these chair mats with a "lip" are listed as the overall size.

Item No: FM.BCM816

Standard Sizes (Approximate)

| Size | Qty. 1 | Qty. 2-10 | Qty. 11-25 | Qty. 26+ |
