

Carpet Door Mats

Carpet Door Mats are the most popular door mats around. These carpet mats have an olefin surface, which wipes away dirt and moisture.

Carpet Mats are often used as door mats but are also available in much longer lengths for use as carpeted runner mats.

This 18oz carpet is bonded to a vinyl backing which extends past the mat on all sides to form the black border.

Carpet mats are an economical option to help prevent dirt and water from being brought inside.

To clean carpeted floor mats, simply shake out, vacuum or hose down.

Please note, for carpet mats being placed on carpet, we recommend the Premium Carpet Floor Mats, which are available with a gripper rubber backing to better help keep the mats in place.
