Chair Mats For Hard Floors

Our Chair Mats for Hard Floor Surfaces are designed to facilitate movement in a desk chair while protecting the floor below from damage and scratches.

These chair floor mats have a smooth backing to have maximum contact with the floor and to help keep the chair mat in place.

The heavy-duty PVC vinyl construction ensures maximum durability while the clear finish allows the floor below to show through.

Chair mats for Hard Floors are available in both rectangular shapes as well as traditional shapes with a lip (which is an extension, or tongue on one side of the mat that fits under the desk's leg opening).

All Chair Mats for Hard Floors come with a **LIFETIME WARRANTY** against breakage due to normal wear and tear.

These desk chair mats are 145 mil (also measured as 0.145" or approximately 1/7" thick).

Custom hard floor chair mat shapes & sizes are available.

Item No: FM.CMH
