CleanGuard Scraper Door Mats
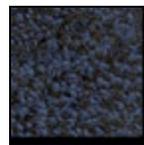

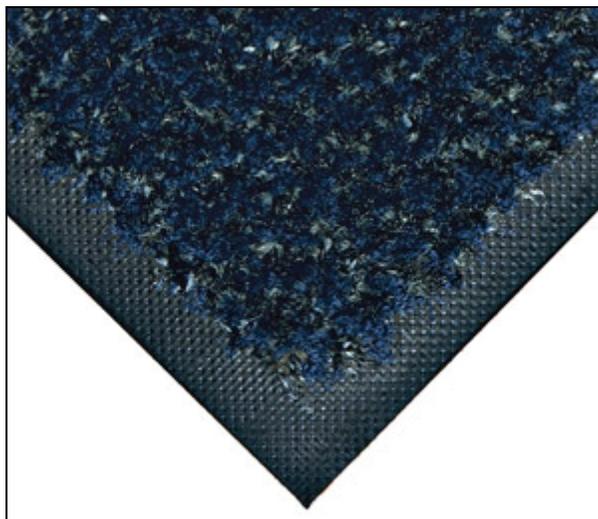

CleanGuard Scraper Mats are attractive and versatile door mats designed to keep your floors cleaner and safer while maintaining an upscale appearance. These floor mats utilize a clever combination of two types of fibers to increase their longevity and cleaning action.

Dense mono-filament fibers are raised above the mat surface and reach into the crevices in shoes to remove dirt and grime. Tufted nylon fibers sit below the raised mono-filament fibers and quickly wipe the shoes clean, absorb liquids and capture debris.

These entry mats feature ultimate color fastness and withstand sunlight, repeated cleaning, bleach and washing. Colors are embedded directly within the fibers and cannot wear off.

The backing on these floor mats is available in Smooth, Cleats and Suction versions. Mat backing is 100% Nitrile which is impervious to greases and oils, and ensures that the mats lay flat, even if rolled for seasonal storage.

• Mats are solution dyed for ultimate color retention
• NFSI High Traction certified floor mats
• Mats feature 100% Nitrile backing
• Indoor / Outdoor, High-traffic areas are ideal

Item No: FM.ECS
