

## Corrugated Sponge Anti Fatigue Mats

Corrugated Sponge Anti Fatigue Mats are some of our best anti-fatigue floor mats. They come in 1/2" and 7/8" versions with a durable PVC / Nitrile rubber base and safety edges. Dimensions up to 4' x 75' are available with black and black/yellow color configurations.

The dense vinyl surface of these comfort floor mats is highly durable and features a molded in high-traction corrugated surface. The vinyl surface also provides increased chemical resistance for occasional spills.

Available in black and black with yellow safety borders. Widths of 2', 3' and 4', and lengths up to 75' are optional. For custom cuts and configurations, please give us a call for assistance with measuring and ordering.

Ideal for use in dry areas, although spills will wipe clean easily. Mats are best suited for areas where you need a very comfortable floor mat with excellent anti-fatigue, slip-resistance and wear-resistance properties.
