Rubber Brush Door Mats

Rubber Brush Door Mats are 100% rubber door mats, molded from SBR rubber, which remains flexible even in extremely cold temperatures.

These debris capturing floor mats feature thousands of flexible rubber fingers that diligently scrape the dirt and debris from the shoes of your visitors. The mats are held in place by suction cups on the underside.

All four sides of these door mats also feature safety beveled edging to prevent tripping accidents. Moisture is held in place by an integral rubber wall on all four sides, helping to keep your floors drier and safer.

Intended for heavy-traffic, outdoor areas, especially where dirt / debris and water are common, or in climates that experience intense winters.

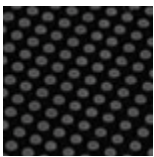

- Mats are 5/8" overall
- Green Cleaning approved product
- 100% rubber floor mat design
- Environmental Green Rating: 50% Recycled Content

Item No: FM.ERP
