

Scrape & Wipe Door Mats

Scrape & Wipe door mats are an ideal combination of hard scraping fibers and soft tufted absorbent fibers in one mat. The fibers are grouped together in alternating bands that run perpendicular to foot traffic, further enhancing their cleaning and drying properties. The light – dark coordinated colors help to hide debris, and a heavy vinyl backing helps keep these entryway floor mats in place.

The 3/8" overall thickness and high surface area of the carpet fibers provide a large amount of room to grab and hold debris and moisture from guests shoes, helping to ensure your floors remain clean and dry.

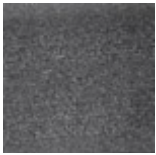

An ideal door mat for high volume, heavy traffic areas requiring a more efficient clean and dry floor mat system. Perfectly at home in all upscale entryways including offices, office buildings, hotel vestibules, law offices, doctor's offices, retail centers and auto dealerships.

- Alternating stripes scrape, clean and dry shoes
- Stripes run perpendicular to traffic enhancing cleaning
- Shoes walking over the mat scrape against the stripes
- Heavy vinyl backing to prevent movement
- 3/8" thickness
